

Career and Technical Education at NAU will be offering 500-level credit to educators attending and participating in the 2012 ACTEAZ Conference! The 3-credit course could be used in an undergraduate or graduate program. It might also be able to be used for teacher certification or recertification.

Important information: If you are an undergraduate and want to register for this class you will need to be administratively enrolled in the course, email nicole.hampton@nau.edu with your name and ID number. Conference registration and tuition are separate. Conference registration information can be found at <http://www.acteaz.org/>

NAU has Career and Technical Education undergraduate and graduate degrees that may be of interest. Our Bachelor's of Education, CTE Occupational Education and Masters in Career and Technical Education degrees can be completed online. Up to 55 hours of occupational experience credit is available for the Occupational Education degree.

**CTE 593 In-service Teacher Workshop: Applying Workforce Skills
(Summer Session II, Hampton) Register for Class number 1775**

This 3-credit hour class is graded (i.e. A, B, C). Requirements include:

- Attend and participate in the 2012 ACTEAZ Conference; Provide proof of registration and attendance (such as a copy of your receipt and nametag).
- Provide a written agenda/synopsis (organized by day) listing all the conference sessions (including pre-sessions) you attended and all the conference related activities in which you took part. This would include general sessions, workshops, tours, networking sessions, luncheons, vendor exhibits, etc. You will need to participate in 45 hours of conference related activities to receive the 3 credit hours. Alternative arrangements can be made to "make up" contact hours to meet the 45 hour requirement. Please contact the instructor for options – these can be completed prior to the conference. Specific requirements for the agenda/synopsis will be provided with the course syllabus.
- Write a 5 page reflective paper (specific requirements will be provided with the course syllabus) on what you learned and how you will use the information from the conference
- Complete either option 1 OR option 2 below:
 - Option 1: Write detailed lesson plans that encompass two weeks of instruction that you can use in your classroom next year that incorporate information you received at the conference (lesson plan format information will be provided with the course syllabus). You do not have to write one two week lesson plan - you can turn in lesson plans in any combination that equal two weeks of instruction.
 - Option 2: Prepare an article review paper. Find three professional journal articles related to using CTE principles in practice. After reading the articles you will prepare a paper (6-8 pages). Detailed information on the paper will be provided with the course syllabus.
- Submit all information to instructor by August 6, 2011

For information on how to register for either of these classes
<http://nau.edu/COE/Ed-Specialties/Degrees-Programs/Career-Tech-Ed/How-to-Enroll/>

Registration deadline July 23, 2011 (note that there will not be an option for a fall course)

Tuition for 3 credit hour course \$1017 (undergraduate) \$1101 (graduate)

If you have questions, contact the instructor
