## Speakers

Tamera Nelson is an executive that generated industry-leading results around the globe during a 20+ year career at the world's largest construction equipment company. Selected by senior leadership as a change agent for mission-critical assignments related to transforming company culture, turning around distressed organizations, and making tough and often unpopular decisions that drove operational and financial efficiencies.

~~~~~  
Bob Uppgren as an author, speaker, and independent consultant, he has been routinely praised by such organizations as the NBA, Make-A-Wish Foundation, Verizon Wireless, Blue Cross Blue Shield and many more. He is an invaluable resource in challenging, mentoring, and teaching people of all ages how to be more creative and artistic leaders.

## Entertainment

Mylo Hatzenbuhler the humble farmboy who has become known as the "Strasburg Superstar." Mylo is a fourth-generation fictional farmboy who lives with his fictional wife, Emma, and family on a fictional farm "eight miles east of Strasburg and a half," as Mylo puts it.

# GROUP TOUR PACKAGE OPTIONS ~ APRIL 2014

## Group Tour ~ Package One

### Garrison Dam and Power Plant Riverdale, ND

At 2-1/2 miles wide and 210 feet tall, the Garrison Dam is the fifth largest earthen dam in the world. Hydropower turbines at Garrison Dam have an electric power

generating capacity of 583.3 megawatts. Average production of 240 megawatts serves several hundred thousand customers.

*Local dining available.*

## Group Tour ~ Package Three

### Bismarck Career & Tech Ed Center and Career Academy

Bismarck CTE Center is located on the campus of Bismarck State College, and shares space with BSC in the Career Academy and Technical Center Building. Bismarck CTE Center has an enrollment of nearly 800 students from nine (9) public and private high schools yearly.

### Heritage Center

The Main Gallery in the Heritage Center traces millions of years of North Dakota history. The Gallery is divided into seven areas: Corridor of Time, First People, Era of Change, Settlement Era, Bright Dreams and Hard Times, Birds of North Dakota, and Dakota Kids.

*Local dining available.*

## Group Tour ~ Package Two

### Coal Creek Station Underwood, ND

Coal Creek is North Dakota's largest power plant – features two units with a total generation capacity of more than 1,100 megawatts.

### Blue Flint Ethanol

#### (5 miles S. Underwood)

Blue Flint is unique in that it utilizes waste heat generated by Coal Creek Station creating a highly energy efficient operation.

*Local dining available.*

## Group Tour ~ Package Four

### Schumacher Diamonds

Since its inception in 1972, Schumacher Diamond Cutters has always been a pioneer in the use and development of advanced technologies in the diamond manufacturing industry.

### the Spa

Treat yourself to a Microdermabrasion – a traditional crystal or new diamond time (non-crystal) techniques which will remove the most superficial damaged layer of skin, helping your skin care regiment penetrate more efficiently. Renew-Refresh-Relax.

*Local dining available.*
