President-Elect

ACTEAZ Officer Election Guidelines

All candidates for ACTEAZ President-Elect must meet the following criteria and follow the guidelines as set forth in the ACTEAZ Bylaws and the Board Policy and Procedures Manual.

Eligibility and Term of Office

The Executive Officers for ACTEAZ shall be elected from the ACTEAZ State membership. They will be selected on the basis of demonstrated leadership in career and technical education. The president-elect shall serve a one-year term beginning July 1 following election and automatically ascend to president and past-president for a period of a one-year term each.

Process of Nomination

The procedure for selecting the President-Elect candidates shall be determined by the Nominating Committee. The Nominating Committee shall then present two candidates (if possible) for the election ballot.

Method of Election

- Officers of ACTEAZ shall be elected by electronic ballot as determined by the Nominating Committee.
- Candidates and their supporters are prohibited from distributing any printed campaign materials and organized campaign efforts such as telephone banks are strictly prohibited. Any candidate or a supporter of a candidate may speak personally to any other individual and ask for that person's support in the election. ACTEAZ will send out electronic write-ups on each candidate. Failure to comply with these requirements may result in disqualification. The Executive Committee of the ACTEAZ Board of Directors shall be charged with the responsibility of deciding whether to disqualify a candidate when a violation is reported. In case of a tie vote of two or more nominees, a runoff election will be conducted between the two candidates with the most votes. Final results will be reported to the ACTEAZ Board of Directors by May 31st.
- If at any time during the election process a candidate for office withdraws or is disqualified, the Nominating Committee will continue with the election if there is a candidate for that position on the ballot.
