

NOELLE TRINDER

Outstanding Business Professional

Award Biography

Career and Technical Education is industry driven and is stronger because of local industry professionals. This morning, we have the distinct honor of recognizing a remarkable industry professional who has gone above and beyond in the realm of healthcare education and workforce development.

The recipient of ACTE AZ's Outstanding Business Professional of the Year is Noelle Trinder, a dedicated and visionary leader with AZ Banner Health. Noelle has been instrumental in forging industry and career and technical education partnerships with local high schools, creating a sustainable and dynamic healthcare talent pipeline.

Noelle's tireless efforts have not only bridged the gap between education and healthcare but have also opened doors for countless students, providing them with the skills and opportunities needed to thrive in the healthcare industry. Her commitment to fostering these partnerships has ensured that our community will continue to have access to highly trained and compassionate healthcare professionals.

Under Noelle's guidance, AZ Banner Health has collaborated with local high schools to develop programs that offer students hands-on experience, mentorship, and a clear pathway to careers in healthcare. These initiatives have empowered young people, inspired future healthcare workers, and strengthened our community's healthcare system.

Noelle's work exemplifies the power of collaboration and the impact of investing in education. Her dedication to creating opportunities for students and ensuring a steady stream of talent into the healthcare industry is truly commendable. Tonight, we are proud to honor Noelle Trinder for her outstanding contributions and unwavering commitment to excellence.
